

BATNET ALERT

Grab-and-Run Jewelry Display Thefts

Mervyn's Special Investigations Unit has sent out an alert to San Antonio stores concerning several recent Grab-and-Run thefts of Jewelry Display units ("spinners"). Thefts have occurred at Mervyn's and other retail stores on the NW and South sides of San Antonio. The suspects first scout the store, one serves as a lookout, while the other grabs the spinner and runs to a waiting vehicle.

Anyone with information about the suspects (pictured above) or these crimes is urged to contact SAPD Property Crimes at West Substation (207-8299) or South Substation (207-7284), or contact Mervyn's Special Investigations Unit (885-8080).
